

Enterprise Standard Operating Procedures (SOP)

1. Employee Leave Management

Employees must submit leave requests through the HR Portal at least three working days before the intended leave date. Emergency leave requests can be submitted on the same day but require manager approval.

Sick Leave

Employees are entitled to 12 sick leave days per calendar year. A medical certificate is required for absences exceeding two consecutive days.

Annual Leave

Employees receive 24 annual leave days per year. Unused leave may be carried forward up to a maximum of 10 days.

Approval Workflow

Employee → Reporting Manager → HR Department → Leave Confirmation

2. Expense Reimbursement Procedure

Employees may claim business-related expenses including travel, accommodation, meals, and approved purchases.

Submission Process

1. Collect receipts and invoices.
2. Complete reimbursement form.
3. Upload supporting documents.
4. Submit request within 15 days of expense occurrence.

Approval Workflow

Employee → Department Manager → Finance Team → Payment Processing

Reimbursement Timeline

Approved claims are processed within 7 business days.

3. IT Support Request Process

Employees experiencing hardware or software issues must create a support ticket using the IT Helpdesk Portal.

Priority Levels

Low Priority

General software questions and minor issues.

Expected response time: 24 hours.

Medium Priority

System access issues affecting productivity.

Expected response time: 8 hours.

High Priority

Business-critical application failures.

Expected response time: 2 hours.

Critical Priority

Complete system outage affecting multiple users.

Expected response time: 30 minutes.

Escalation Matrix

Level 1 Support → Level 2 Support → Infrastructure Team → IT Manager
